## NORDIC PROCESS CONTROL (NPC)

# 18<sup>th</sup> Nordic Process Control Workshop

August 20–23, 2013, Oulu, Finland

### August 20 & 21, Tutorial days

Simple realizable predictive control algorithms  
with focus on Predictive Functional Control  
Prof. Dr. Robert Haber,  
Cologne University of Applied Sciences

65°01' N, 25°28' E

### August 22 & 23, 18<sup>th</sup> Nordic Process Control Workshop

Welcome to Oulu, the capital of Northern Finland!  
Engineers from the industry, researchers from the academia and  
students are invited to submit contributions in the field of  
process modelling, simulation, control and optimization.

Keynote speaker:

2013 Nordic Process Control Award winner  
**Professor James B. Rawlings**  
University of Wisconsin-Madison

#### Important dates:

March 31, 2013	Submission of abstract, extended abstract or full paper
April 26	Notification of acceptance (oral or poster presentation)
May 17	Final paper submission
August 20-23	18 <sup>th</sup> Nordic Process Control Workshop
May 17	Early registration (350 € and reduced student price)
July 28	Final registration (450 € and reduced student price)

University of Oulu and Finnish Society of Automation
