LC - Swedish (2020 - 2021)

Designed for intermediate and advanced level students, Swedish courses at the University of Oulu are tailored to meet the *language needs of the university academic* programmes as well as the needs of the students' professional fields. **Elementary courses are not offered in Swedish.**

Students who have completed secondary school (high school) in a language other than Finnish or Swedish are exempt from completing Swedish language requirements. (Please, contact your department study advisor for exemption.)
